*Happy Holidays from Global Book Rights!*

This has been a wonderful year for us and standing here under a Christmas tree we are holding a few of the translated books we have received from publishers with whom we have worked during the year. In a way they are like presents to us because we know that readers around the world can now enjoy them.

Knowing that there are so many holidays around the world at this time of year, from Christmas and Hanukah to the many different New Year and religious holidays coming up in Asia and the Middle East we want to send our best wishes to all of our readers. And we have been wanting to make it easier for our associates to find books that will be what they want. At the same time we wanted to make sure that we can show books from authors in the best possible way for others to see.

So with the coming of the New Year we are happy to report that we will have a true present for all of you in the form of A NEW WEBSITE. As soon as we have it on line we'll send you a notice. We hope you will then get in touch with us about anything you'd like to see on it and any suggestions you may have. So, once again, here's wishing you a great New Year.
